

VINYL FLOORING INSTALLATION WARRANTY

Date _____

Order Number / Serial Number _____

Dear New Homeowner;

Thank you for your purchase of a New Norris/Marlette Home. If you are receiving a copy of this document, you have requested vinyl flooring that will exceed over 50% of the flooring surface and in all likelihood cross over the center marriage line or doorways. If this is the case please be aware some type of adjoining transition strip may be used where two vinyl pieces meet. Also in large room areas every attempt will be made to insure that all high or low spots and imperfections in the wood floor decking resulting in loose fragments will be kept to a minimum as they may be noticeable under the vinyl. These imperfections are not defects in the vinyl but imperfections in the wood flooring are not covered under any warranty.

It is our intent that as stated above we will maintain the strictest of installation procedures, but Norris/Marlette Homes and your selling retailer cannot be responsible for any cosmetic issues that arise in regards to vinyl flooring.
